# Attitudes

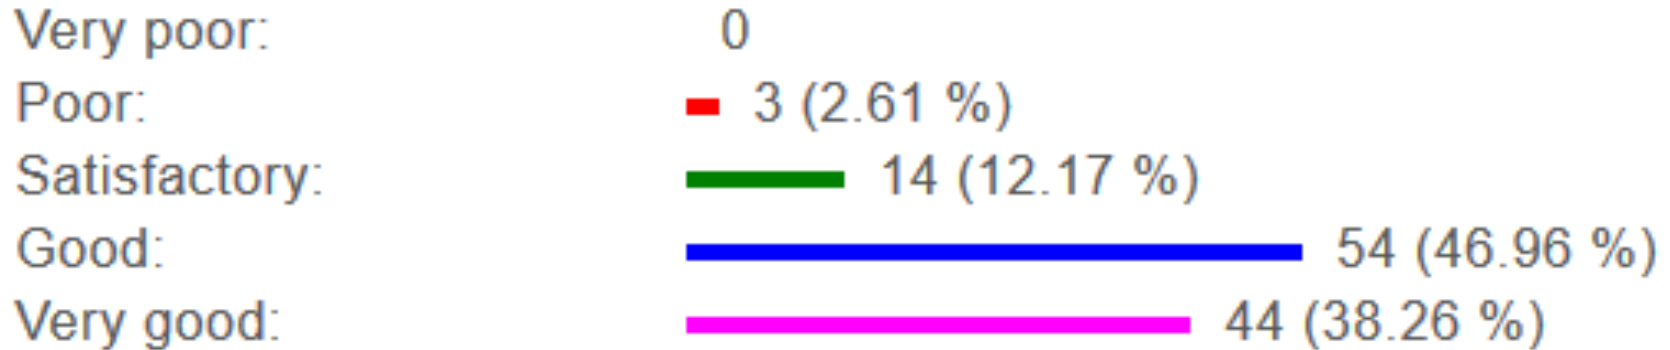

# Website

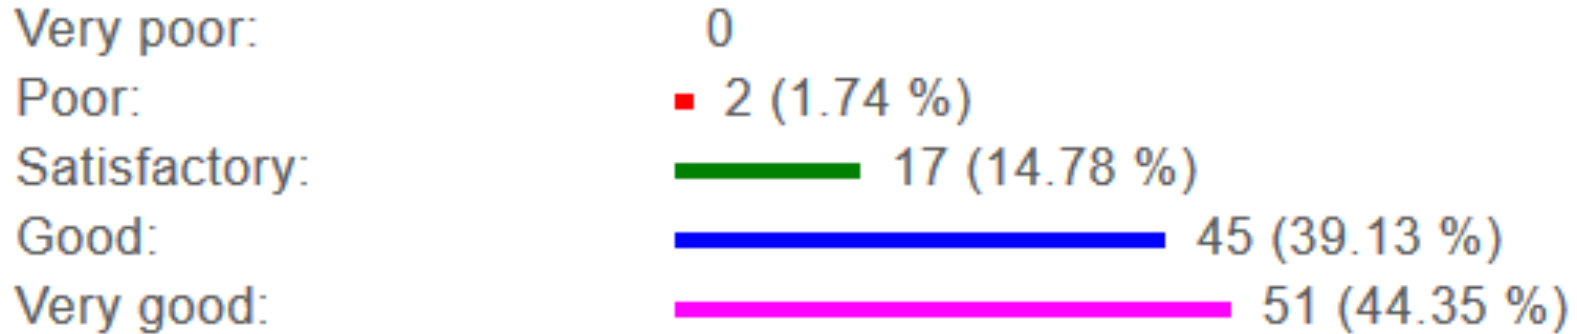

Moodle was used. Thumbs up!

# Registration process

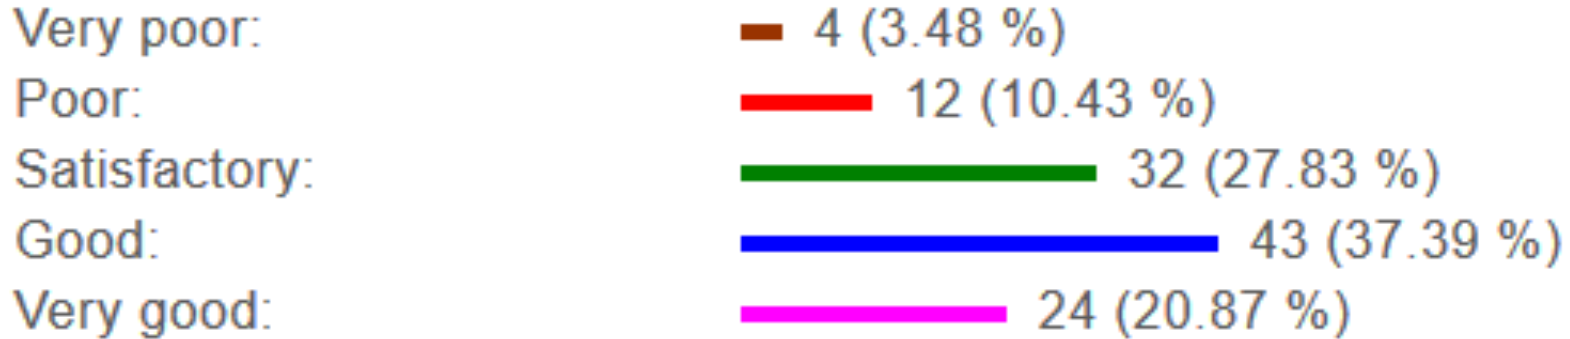

External system used. No real problem.

# Rego/Information desk

People liked our smiling staff.

# Venue

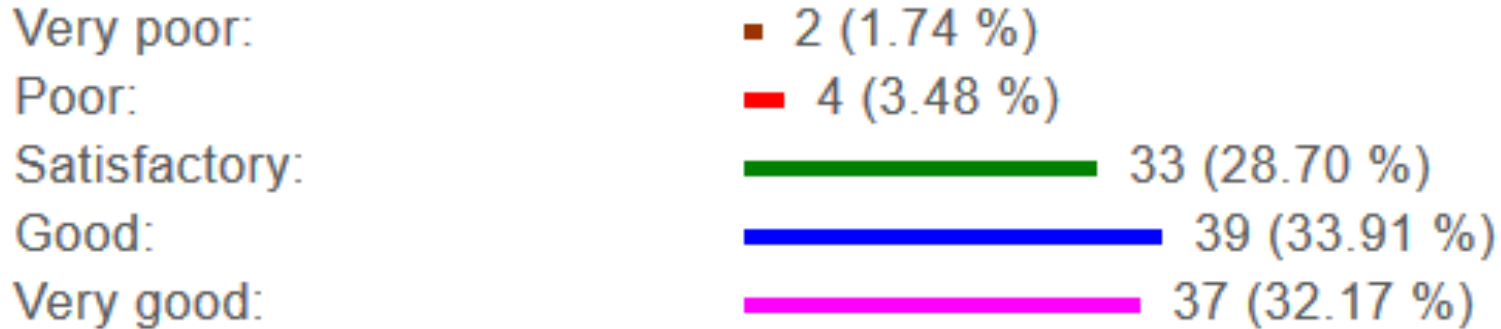

Some negativity there (mirrored in comments)

# Catering

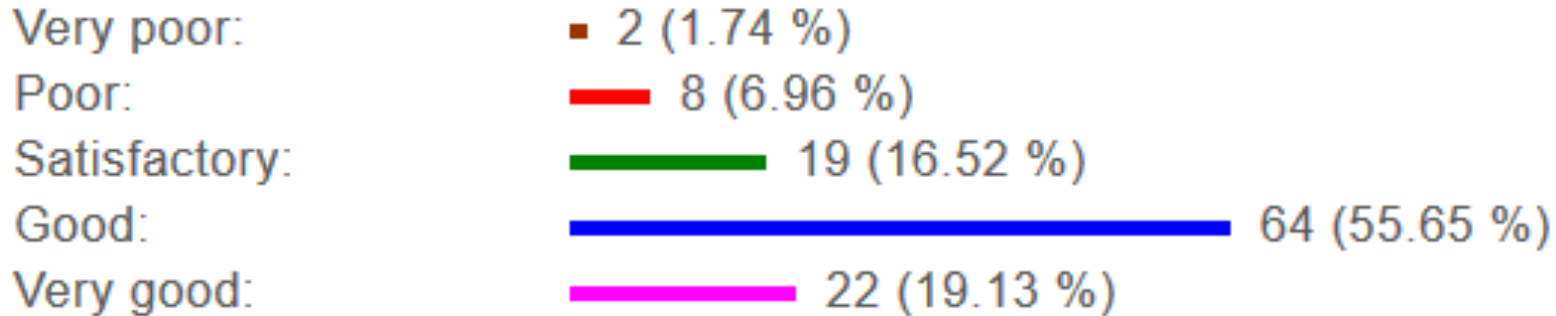

Some issues with catering and eating areas

# Relevance to role/sector

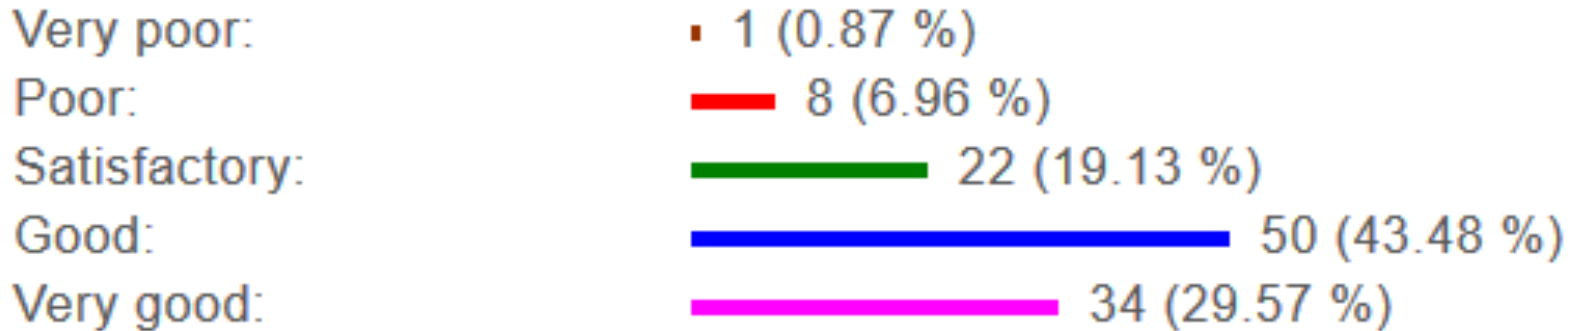

A big factor in deciding on the program  
Worked OK, perhaps not so critical

# Quality of presentations

Most people happy  
(Some negative comments)

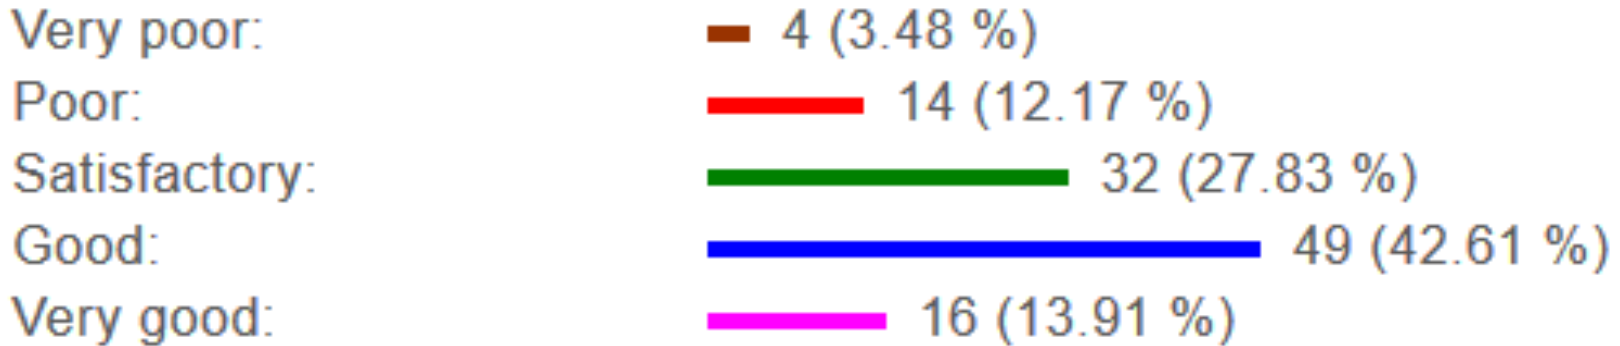

# Organisation of streams

Generally good

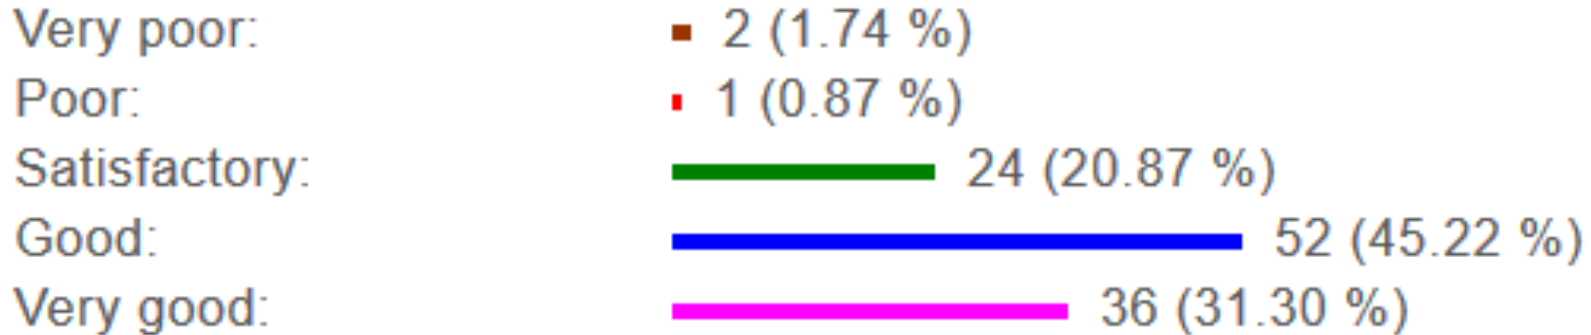

# Time for questions, breaks

Some people wanted more time in between

# Printed Program

Well done

organisation was very good /  
good for HQ to do

keynote speakers

looking forward to Moot2016

printed program pretty

Video recordings

networking

Moodle HQ presenters

# overall experience good / best Moot

# Issues from comments

- Flexibility to move: unable to shift
- Venue locations: away from hotels, city
- Food / eating: variety, difficulty
- Participant engagement in sessions: more
- Presenters: poor
- Networking: more opportunities wanted

# Keepers

organised  
by HQ

overall  
format

social  
activities

Pecha  
Kucha  
sessions

working  
groups  
and  
hackfest

# Improvements

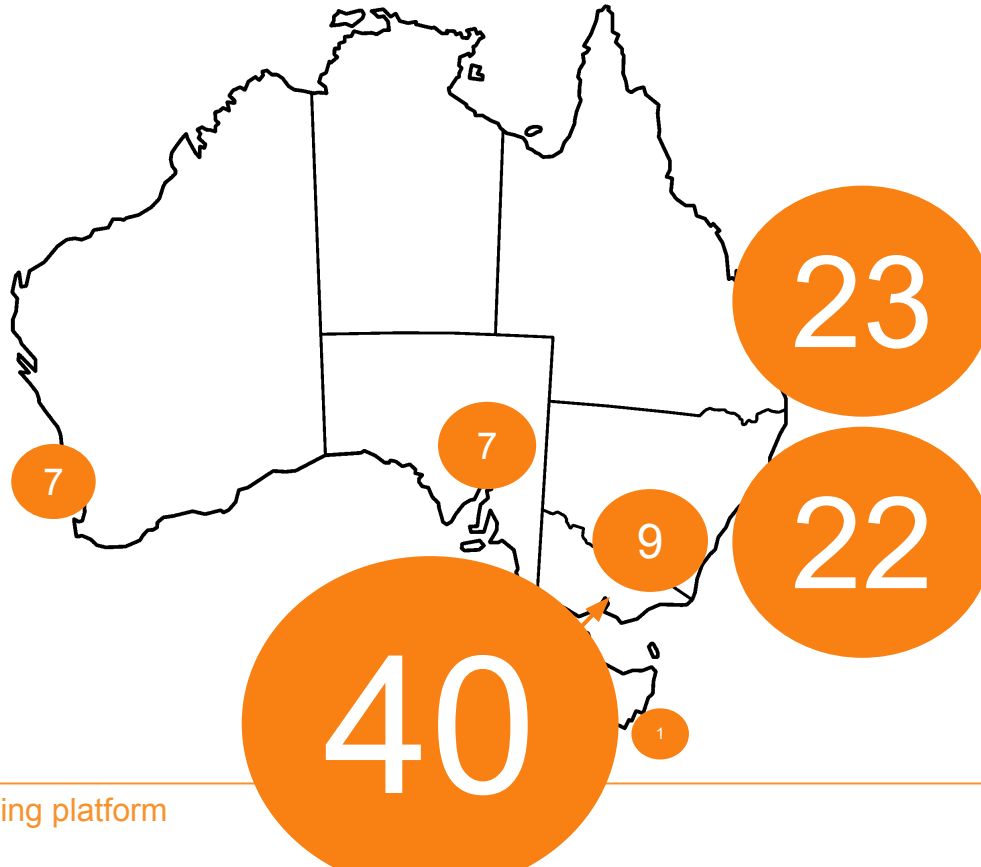

- Align schedule to allow changeover
- Conference in city at conference venue near accommodation
- Food variety and appropriate seating
- More engagement, more advanced options
- Guidelines / support for presenters to be better
